GitHub: <https://github.com/michaeloc1/module-4-quiz>

Deployed: <https://michaeloc1.github.io/module-4-quiz/>

- Timed javascript quiz that allows users to record their score
- All HTML is rendered dynamically in javascript
- javascript

EXPERIENCE

Sales Associate 2020 – Present

Home Depot Hamilton, NJ

Work with team to provide rapid, friendly service by seeking out customers to assess their needs and provide assistance. Maintain in-stock condition of assigned areas, and ensure that it is clean, shoppable, and safe. Solved customer challenges by offering relevant products and services.

Owner Operator 2003 – 2020

Express Lawn Care South Orange, NJ

Established and founded Express Lawn Care, specializing in providing comprehensive landscaping services for residential and commercial clients. Collaborated with clients to understand their landscaping needs and preferences, offering tailored solutions and design recommendations that align with their vision. Managed all aspects of business operations, including budgeting, purchasing, scheduling, and resource allocation, ensuring efficiency and profitability.

Software Developer 2000 – 2003

Bernard Hodes Group New York, NY

Implemented with team to design career site so candidates could apply for jobs and companies could search for candidates. Assisted in building front end functionality to let users create an account, upload a resume, search for jobs, and apply for jobs. Built SQL database to store user information to be retrieved by employers looking for candidates. Orchestrated with clients to integrate design of career site to match look and feel of companies website. Organized with project managers to select ambitious, but realistic coding milestones on pre-release software project development.

EDUCATION

Full Stack Web Development Boot Camp Certificate: Rutgers, East Brunswick, NJ

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Inquirer, Node.js, MySQL, MongoDB, Express, Handlebars.js, and ReactJS.
